

Welcome your visitors with a smile

A world class visitor management system that makes every visit delightful.

By TARGET

Features:-

1

Express visitor check-ins

QR code based digital ID in the TVSS-VMS app enables you to check in at any TVSS Terminal in a flash

2

Easy Pre-registration

Pre register your guests with just a few taps on the TVSS app and send them automatic SMS based invites with GPS coordinates to your office

3

Digital Badge for Employees

The TVSS app also doubles up as a digital ID for employees and can be used for verification in case of lost cards/events etc

4

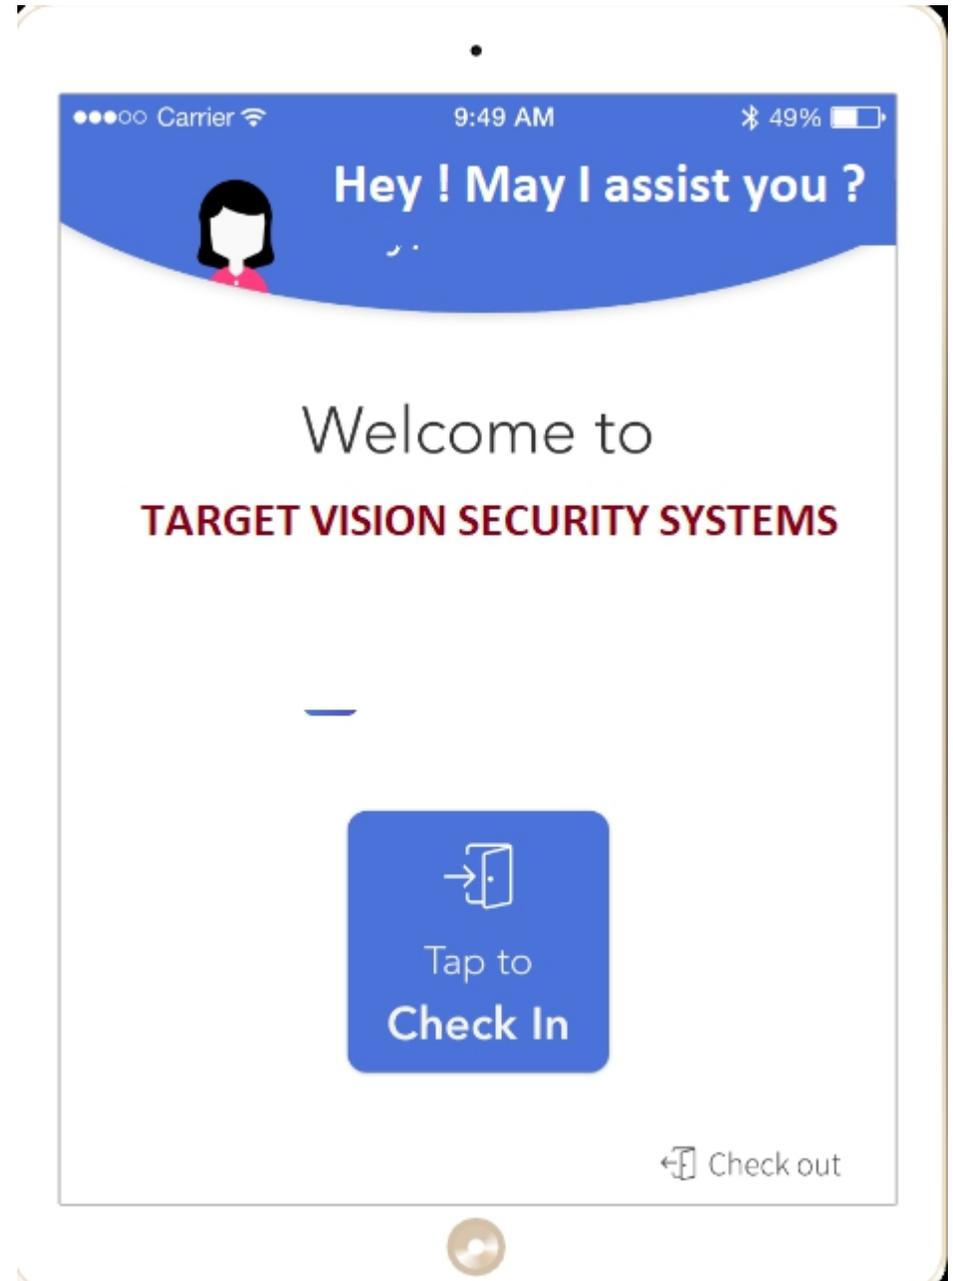

Instant Notifications

Employees get instant notifications about the arrival of their visitors along with their photographs as in app notifications
